IN THIS ISSUE: TEACHER GRANTS GIFTS/MEMORIALS/HONORARIAMS REUNIONS WINTER 2019

Dear P.H.S. Alumni, Friends and Fans!

Another year has again gone so quickly and what a year of celebration! 15 years for **PEAF** and another year of excellence in education at PHS. Because of the generosity from PHS alumni, friends and our wonderful community, our \$15 for 15 campaign was a great success. 100% of the donations from this campaign were used to purchase the textbooks and computers asked for by our teachers. The K-12 Reading curriculum was implemented this fall along with H.S. math, chemistry and history textbooks. Computers at all levels are now available on carts to support the curriculum and reach the needs of our students. **PEAF** was also able to award 15 grants this past spring. The Great Ideas Grants give teachers the funds to purchase items for projects and supplies outside their classroom budget.

PEAF would like to extend our heartfelt gratitude to all who so generously donated to support education at Plentywood Schools this past year. Gifts in memory of loved ones or in honor of a special person, classmate, teacher, etc. is a thoughtful way to support education. Any amount donated is so greatly appreciated and will be used to support our students and teachers and continue the legacy of educational excellence of which PHS is so proud!

Looking forward to the next 15 years and wishing everyone a very Happy and Prosperous New Year!!

Happy Holidays,

Lisa Tryan

Lisa Tryan, **PEAF** Executive Director

A PERSONAL LETTER FROM A DONOR

Rosemary Larsen was a first grade teacher at Plentywood Schools for over 37 years. She taught so many young students how to read, the fundamental part of learning. She touched their lives with an always gentle, kind way and was highly regarded as both a teacher and gentle soul by her students, fellow teachers and parents.

Because of the impact she had on her students and her love of reading and teaching, the Rosemary Larsen Reading Fund was established through **PEAF**. We wanted to help continue the legacy of learning and reading to future generations of Plentywood School students and to help develop the love of reading for future generations. We are so proud to continue Rosemary's legacy of learning.

-Svend Larsen

Update

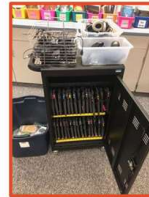

3rd & 4th grade: A big “Thank You” to PEA and all who donated toward our awesome Chromebooks. They are encouraging us with interactive lessons and preparing us for the increasingly digital workforce. We are so grateful for your generous gift! Mrs. McCoy, Ms. Knipfer and the 3rd grade class

THANK
YOU!

K-2nd grade: The students learning new reading skills with the new Wonders Reading program along with the students using the I Pads and cart would like to thank PEA and everyone who generously donated to this great cause!
K: Kelly Obergefell & Missy Brensdal
1st Grade: Dona Osksa & Debbie Hagan
2nd Grade: Marie Wangerin & Ellen Sedgwick

The Chromebooks have been a wonderful addition to my classroom! Because of the Chromebooks, the students have been able to access the online portions of our curriculum much easier and faster. I have also been able to implement Google classroom in all of my classes. This allows students to submit assignments electronically, which in turn, allows me to provide feedback much faster. I personally am thankful for this because my time spent correcting papers has greatly been reduced!
Tami Weins - 6th-8th Grade English Instructor

A NOTE FROM SUPERINTENDENT, ROB PEDERSEN

Plentywood School District #20 would like to express our most sincere thanks to the Plentywood Education & Alumni Foundation and all those who support PEA with their donations. During this holiday season the sense of giving and concern for other people seems genuinely appropriate when considering the activities and purpose of our Alumni Foundation. As an educator, I am most certain that nothing is more important than displaying a commitment and concern for our young people, in this particular instance, to the students of Plentywood Schools. Under the magnificent and energetic leadership of Mrs. Lisa Tryan and PEA Board the Plentywood Education and Alumni Foundation continues to be an integral piece of the educational process of the Plentywood School District #20.

PEAF's sole purpose is to support our school district and provide educational opportunities for our students. PEA is deeply devoted to the community and the students we are raising. One great example of PEA's devotion is their continued sponsorship of our Family Connection Nights. Parents and students come together to learn and have fun together with games and activities from various academic content areas that help enhance the relationships between families while helping the students learn the life skills. PEA has purchased supplies for classroom activities, textbooks, storage units, educational equipment, reading and math programs, and a new school transportation vehicle to just name a few over its 16 year existence. These purchases have had an immense impact on the education of our students and for our staff. With your continued support I am positive that the Foundation and its ability in such a constructive manner will only continue to reach new heights.

Thanks to all who support PEA and Plentywood Schools. Merry Christmas and Happy Holidays to everyone. Let's make 2020 even better as a school community. GO WILDCATS!!

- Rob Pedersen • Superintendent, Plentywood Schools
