

Dear Friends,

Seasons Greetings from Plentywood School District #20! Thank you for your support, prayers and thoughts for our success - now and into the future.

Your support of PEA F and the education of our students is key to our success. Thank you!

As we begin our 12th year as a non-profit foundation, I ask you to please renew and continue your financial commitment to our students by making a contribution to our Annual Drive. We need your support for the Annual Drive to succeed and reach this year's goal of \$50,000. Our Annual Drive is critical not only for the current budget, but also for next year's budget.

Every day I see faculty and staff, the core strength of our school, engaged with our students and providing the personal attention that creates a positive and supportive learning environment for all the students . . . our children. Come join us for a tour anytime and experience the excitement!

We must make a significant investment in our faculty, staff and learning environment, that we call the Plentywood School.

With your support and prayers we have accomplished much, yet we all know there is much more we can still do to maintain Excellence that honors our history, our future and your support.

Just 1 of 107 grants
awarded by PEA F
since 2003,
because of
your generosity!

PEAFIN ACTION

"BEYOND THE BOOK"
\$1,067.97

A funding grant for Scholastic Math,
Science World and Scholastic News
Magazines which will impact over
100 students!

(over, please)

Check out our Great Ideas Grant Program at: plentywoodalumni.com

Your gift to the Annual Drive today will allow us to initiate projects in the following critical areas:

- **Professional Development for Faculty and Staff:** Your gift is an investment in our faculty and staff. We must continue to invest in them through training and continuing education.
- **Availability of Technology:** Donor support has allowed us to make great strides in this area. Smart-boards, student used computers and training of faculty and staff are all on-going needs.
- **Curriculum Development:** Your gift allows our teachers to improve, enhance and expand the curriculum, especially in areas of technology. Materials along with training and professional development opportunities never end.

Please help today with your gift of \$50, \$100, \$250 or more if possible. Your support helps ensure our commitment to excellence as we continue on with the 2014-2015 school year!

Each gift brings with it a **message of encouragement** for all of us at PHS. For that we are grateful.

Thank you for supporting our school and the important work that takes place day after day. Our young people and our community care!

Most Gratefully Yours,

Kordelia Tande French, CEFE
Certified Education Foundation Executive

GREAT NEWS! **Thank you** for making it possible for our teachers to have the necessary tools to help prepare their students for a fierce, competitive global environment as they become graduates of PHS and venture out into the world! And there is more GREAT news:

PEAF invites you to celebrate your class reunion in 2016! We will be happy to facilitate you in any way you may need.

AND, what is so special about **2016?**

2016 is the **100th Anniversary** of the very first graduating Class of **1917!**
