Teacher Appreciation Breakfast!

A Note from Superintendent, Matt Torix

Plentywood School District #20 would like to express our most sincere thanks to the Plentywood Education and Alumni Foundation and all those who support PEAFF with their donations. During this holiday season the sense of giving and concern for other people seems genuinely appropriate when considering the activities and purpose of our alumni foundation. As an educator, I certainly believe that nothing is more appropriate than displaying a commitment and concern for young people, and in this particular instance, to the students of Plentywood Schools. Under the energetic leadership of Mrs. Lisa Tryan, the Plentywood Education and Alumni Foundation will continue to be an integral part of the educational process of the Plentywood School District.

PEAFF's sole objective is to support our school district and provide educational opportunities for the students taught here. PEAFF is deeply devoted to the community and the students we are raising. For example, PEAFF has given Plentywood Schools the ability to sponsor "Family Nights". Parents and students come together and learn games and activities in different academic areas that helps enhance the relationships between families while helping students learn the skills they will need for a lifetime. PEAFF has helped purchase supplies for in-class activities, equipment to enhance learning, storage units for classrooms, a new school vehicle and reading and math programs and these are just to name a few things PEAFF has done to impact the students and staff of Plentywood Schools. With your continued dedication and support I am sure this foundation and its ability to affect our students in such a positive manner will only continue to expand.

Thank you to all who support PEAFF and Plentywood Schools. Merry Christmas and Happy Holidays to everyone. Let us make next year even better, together. **GO WILDCATS!!**
