Seasons Greetings Friends!

How many of you **aspire to inspire**? Have you been inspired by another's aspirations?

Each year, many of you tell us that your formative years in school were some of the most inspiring years of your life. A place you formed many aspirations for a better future. We love to hear your stories and welcome all of them!!! Write or e-mail us any time! kordelia@nemont.net

We want to share that this year marks PEAf's **10th Anniversary**. Isn't that GREAT news! Many of you may already know that PEAf has been very successful! Because of YOU, PEAf has been able to award the teachers and their students over 90 (yes 90!) Great Ideas Grants!

You can view a listing of all the grants by visiting our website at: plentywoodalumni.com
(*hint, check out **class pictures** of all PHS seniors 1917-2013 by going to the alumni area page!*)
www.plentywoodalumni.com

Thank You! **Thank you!** Thank You for making it possible for our teachers to have the necessary tools to help prepare their students for a fierce, competitive global environment as they become graduates of PHS and venture out into the world.

And there is more great news: **PEAF is hosting the PHS All Class Reunion in 2016!**

AND, what is so special about 2016?

2016 is the 100th Anniversary of the very first **graduating Class** of 1917 from Plentywood High School!
SAVE THE DATE • JULY 2016

We are now searching for all past teachers & administrators because they (like our current teachers & administrators) are the inspirational cornerstone of the aspirations of generations of students who have attended Plentywood Schools! We want to show our appreciation to each and every one of them, so if you know of any contact information please let us know.

Speaking of teachers, this is a very special school year as we welcome **5 alumni** to our new full time faculty and staff bringing the number to **24 alumni** who have made the decision to "**Come Home**". These are graduates who have decided to return and make a connection with their home school, keeping alive the flame of school spirit and inspiring the next generation to become keepers of that flame for the future of PHS.

Friends, one of the real Joys of the Holiday Season is the opportunity to say **THANK YOU** and to wish you the very best for the New Year!

Most Gratefully Yours,

Kordelia French
