TWO DECADES OF IMPACT: CELEBRATING 20 YEARS OF PEAFF ►►►►►

For the past two decades, the Plentywood Education and Alumni Foundation has been a beacon of hope, driving positive change and transforming lives within the walls of Plentywood School. Founded in January 2003, this remarkable organization has consistently worked towards its mission of excellence in education. PEAFF was born out of a shared vision by its founders, who believed in the power of collective action to address some of the school's most pressing challenges.

IN THE NEWS

DUAL-CREDIT

Kimberly Simon is pictured working on her dual-credit course. Dual-credit opportunities are new to PHS and are made possible through the state's **One-Two-Free** program.

SNACK TIME

Longer school days are no longer a problem with afternoon snacks provided through a grant written by our Head of Food Services, Maria Schwarzrock. Also pictured is Deanne Morken.

ONE-TO-ONE SCHOOL

Plentywood School is proud to announce a significant milestone in our commitment to providing innovative educational solutions for our students. We are now a one-to-one school, meaning each student has been issued their own Chromebook or iPad. There was a time when you would have found only a small handful of computers on school grounds. Now, every one of our students has equitable access to online technology. We believe the one-to-one device program represents a transformative step forward in enhancing the learning experience for students, teachers, and administrators.

RUBY HANSON DONATION

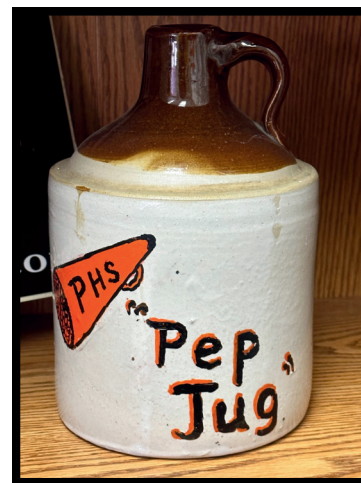

For over twenty years, the Ruby Hanson Memorial Trust has benefited Sheridan and Daniels counties through donations and scholarships.

Education, healthcare, and community service were essential to Ruby. She strongly desired to help others and continues to do so through this trust. On September 7, PEAf and the Sheridan Memorial Hospital Foundation were each presented with a \$50,000 check. PEAf is thrilled to be the recipient of such a generous donation! Pictured above are Connie Anderson (SMHF), Steve Howard (Trustee), Karleen Harris (PEAF), Casey Peterson (Trustee).

PEP JUG/SPIRIT JUG

I'm not a graduate of PHS, although I grew up nearby in Medicine Lake. That was in the 80's. We didn't have social media, and phone calls were long distance. I wasn't privy to the story behind this silly jug that sits in my office on a shelf; however, I know there IS a story. Do you have one? Email me or share on our Facebook page. Thank You! -Karleen

PEAF was honored to help establish the Jim Nielsen Scholarship. However it is important to note that PEAF is not affiliated to, nor does it gain from any donations made to the scholarship. Thank you to all who donated. The students of PHS will benefit for years to come.

Thank You!
